## Customisation

### Tables

The key to any interior design fit-out is to choose the right design at the right size. Sorenmobler can offer you this flexibility on many of the Attrå Dining Collection pieces. Fixed top dining tables can be configured to any dimensions that are within the scope of the design and construction. This means most lengths from 1000 x 700 to 3000 x 1200 can be custom made upon special quote.

### Attrå Collection - Finish and Colour

For durability and smoothness of finish, you can't beat Sorenmobler's two pack finishing system. The Attrå Collection is available in 7 standard colours – Natural Oak, Honey Oak, Oil Finish, Medium Oak, Chocolate Oak, Wenge Oak or White Wash.

### Cabinet Size

Attrå Cabinets are another area where there is some flexibility with length and height so that the unit will fit into that special space. Heights are for 2, 3 or 4 drawers and lengths between 900mm and 2400mm. Once we have the details of what you require, we will provide a priced drawing for this.

### Attrå Chairs - any fabric of your choice

Sorenmobler Chairs are renowned for their style and comfort, and Attrå Chairs are no exception. Both the slatted back and padded back chairs provide excellent comfort and lumbar support. Your choice of fabric is unlimited; whatever you choose our experienced upholstery department will use this fabric to cover the seats and backs of your Attrå Chairs.

### Cabinets and Occasional Furniture
